HAL is a multi-disciplinary open access archive for the deposit and dissemination of scientific research documents, whether they are published or not. The documents may come from teaching and research institutions in France or abroad, or from public or private research centers.

L'archive ouverte pluridisciplinaire **HAL**, est destinée au dépôt et à la diffusion de documents scientifiques de niveau recherche, publiés ou non, émanant des établissements d'enseignement et de recherche français ou étrangers, des laboratoires publics ou privés.

Lectures on Kähler Geometry

Andrei Moroianu

These lecture notes, based on a graduate course given by the author at Hamburg University in the Autumn of 2003, were withdrawn from the preprint server because of copyright constraints.

They will be available soon as graduate textbook.
