Submitted on 4 Nov 2010

HAL is a multi-disciplinary open access archive for the deposit and dissemination of scientific research documents, whether they are published or not. The documents may come from teaching and research institutions in France or abroad, or from public or private research centers.

L'archive ouverte pluridisciplinaire **HAL**, est destinée au dépôt et à la diffusion de documents scientifiques de niveau recherche, publiés ou non, émanant des établissements d'enseignement et de recherche français ou étrangers, des laboratoires publics ou privés.

Accepted Manuscript

Title: Corrigendum to “Biofilms and their relevance to veterinary medicine” [Vet. Microbiol. 121 (2007) 1–17]

Authors: A.L. Clutterbuck, E.J. Woods, D.C. Knottenbelt, P.D. Clegg, C.A. Cochrane, S.L. Percival

PII: S0378-1135(07)00304-5
DOI: doi:10.1016/j.vetmic.2007.05.029
Reference: VETMIC 3727

To appear in: *VETMIC*

Accepted date: 10-5-2007

Please cite this article as: Clutterbuck, A.L., Woods, E.J., Knottenbelt, D.C., Clegg, P.D., Cochrane, C.A., Percival, S.L., Corrigendum to “Biofilms and their relevance to veterinary medicine” [Vet. Microbiol. 121 (2007) 1–17], *Veterinary Microbiology* (2007), doi:10.1016/j.vetmic.2007.05.029

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Corrigendum

Corrigendum to “Biofilms and their relevance to veterinary medicine”
