Infocity, Gandhinagar, GUJARAT.

manoj@inflibnet.ac.in

ETD2016

- Why Shodhganga?
- What Benefits Research scholars gets?
- Responsibilities
- Status of Implementations
- Contributions
- Feedback
- Honours and Awards
- Future Scope

In 2006

Why Shodhganga?

Poor Visibility of Theses

- Only 2 Universities Digitised theses
- Research Result not publically accessible

Plagiarism

- Duplication of Research
- Copying

Poor Access

- Sharing restricted due to non availability of softcopy
- Non Continuity of Research

Financial and Technical

In India, Government funds for approximately 75% for education and 95% for research.

The results of research should ideally be accessible beyond the research community, both to individuals as well as to non-research institutions in **open access** for the benefit of the society at large.

Research Output deposited into Repositories are indexed by Google Scholar, OAster, ARC, Scirus and other search engines. therefore, provides wider access and visibility to their research publications and thereby improved impact.

Research output in open access, owing to adequate indexing, search mechanisms and wider access have greater impact

**Public Access to Research Output
is a Social Responsibility**

UGC Issued Gazette Notification

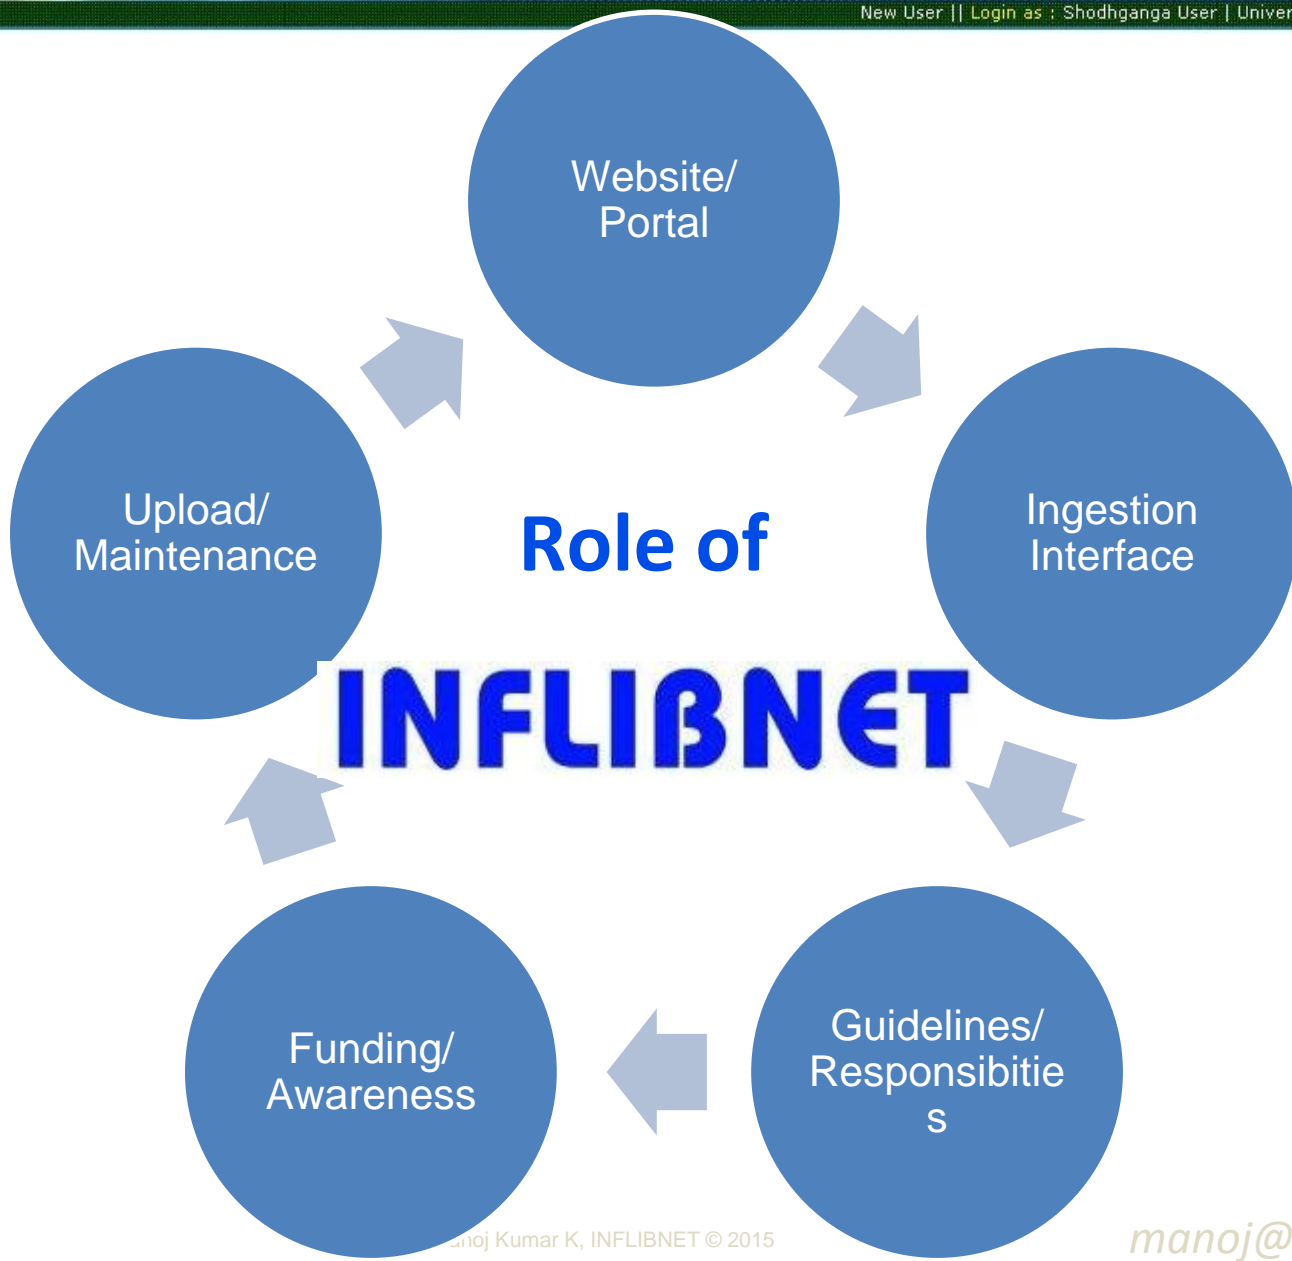

UGC has mandated electronic submission of Ph.D. theses.
UGC Regulation 2009 (Minimum standards and procedure for awards of M.Phil/Ph.D degree)

DEPOSITORY WITH UGC

19. Following the successful completion of the evaluation process and announcements of the award of M.Phil/Ph.D, the University shall submit a soft copy of the M.Phil/Ph.D thesis to the UGC within a period of thirty days, for hosting the same in INFLIBNET, accessible to all Institutions/Universities.

UGC Guidelines in 2005 and Notification issued in 2009

National Committee on ETD formed by UGC in 2009

பழைய இலக்கியங்கள் காலத்திற்கேற்ப புதிய இலக்கியங்களாக வளர்ச்சியடையும் போது அவற்றிற்குரிய இலக்கணத்திலிருந்து வேறுபட்டுத் தோன்றுவது இயல்பு என்பதற்கேற்ப, பிற்காலத்தில் தோன்றிய சில பிள்ளைத்தமிழ் நூல்கள் அவற்றிற்குரிய இலக்கணத்திலிருந்து வேறுபட்டுத் தோன்றின. குலோத்துங்கச் சோழன் பிள்ளைத்தமிழ் என்ற முதல் பிள்ளைத்தமிழ் நூல் தொடங்கி இன்றுவரை தோன்றியுள்ள பிள்ளைத்தமிழ் நூல்கள் பலவற்றில் பாட்டியல் நூல்கள் கூறிய இலக்கண முறை பின்பற்றப் படவில்லை. பிள்ளைத்தமிழ் நூல்கள் இவ்வாறு இலக்கண மரபிலிருந்து மாற்றம் அடைவதைப் பிள்ளைத்தமிழின் வளர்ச்சியில் ஏற்பட்ட மாற்றங்கள் எனலாம். காலந்தோரும் பிள்ளைத்தமிழ் நூல்கள் பெருகி வந்தமைக்கான காரணங்களையும், பிள்ளைத்தமிழுக்கு உரிய இலக்கணத்திலிருந்து பிற்காலத்தில் தோன்றிய பிள்ளைத்தமிழ் நூல்கள் எவ்வாறு வளர்ச்சி மாற்றமடைந்தன என்பதையும், அம்மாற்றத்திற்கான காரணங்களையும் இவ்வியல் ஆராய முற்படுகின்றது. மேலும் பாடுபொருள் அடிப்படையில் மாற்றமடைந்த பட்டுக்கோட்டை கல்யாண சுந்தரம் முதுமைத்தமிழ் நூலை ஆய்வு செய்வதும் இவ்வியலின் நோக்கமாகும்.

பிள்ளைத்தமிழ் நூல்கள் பெருகி வந்தமைக்கான காரணங்கள்

காலந்தோரும் சமூகத்தேவை, அயலார் வரவு, அரசு மாற்றம் போன்ற காரணங்களால் பிள்ளைத்தமிழ் நூல்கள் பெருகி வந்தன. தமிழகத்தில் தோன்றிய அரசியல் மாற்றங்கள் சமூகத்தில் சில மாற்றங்களை உண்டாக்க அதன்பொருட்டு

അദ്ധ്യായം 1
അധികാര വ്യവസ്ഥയും
പ്രതിരോധവും

ഭാഗം - 1
അധികാര വ്യവസ്ഥ
ഒരു സൈദ്ധാന്തിക സമീപനം

സാമൂഹ്യ ജീവിതത്തിൽ നമ്മുടെ വ്യക്തിഗത ബന്ധങ്ങളെയും ദൈനംദിന വ്യവഹാരങ്ങളെയും സവിശേഷമായി രൂപപ്പെടുത്തുന്നത് അധികാര വ്യവസ്ഥയാണ്. സമൂഹത്തിൽ നമ്മുടെ ജീവിതരീതി നിർമ്മിക്കുന്നത് പ്രധാനമായും 'അധികാര വ്യവസ്ഥയുടെ' രൂപങ്ങളാണെന്ന് പറയാം. ഒരു തരത്തിലുള്ള അധികാര രൂപങ്ങളും പ്രകടിപ്പിക്കാത്ത ഒരു സമൂഹം എന്നത് സങ്കല്പിക്കാൻ സാധ്യമല്ല. ഓരോ ജീവിതവും 'അധികാരം' എന്ന പ്രതിഭാസം അനുഭവിച്ചു കൊണ്ടിരിക്കുമ്പോഴും വ്യക്തവും സൂക്ഷ്മവുമായി അധികാരത്തെ നിർവ്വചിക്കുക എളുപ്പവുമല്ല. ഒരു സമൂഹത്തിൽ അധികാരത്തിന്റെ ഇടപെടലുകളെ തിരിച്ചറിയാൻ അധികാര വ്യവസ്ഥയെക്കുറിച്ചുള്ള ഒരു സാമാന്യബോധം മതിയാവില്ല, മറിച്ച് സാമൂഹ്യശാസ്ത്രത്തിന് അധികാരത്തെക്കുറിച്ചുള്ള ശാസ്ത്രീയമായ ഒരു സമീപനവും പഠനവും ആവശ്യമാണ്. അധികാര സങ്കല്പത്തെക്കുറിച്ചുള്ള നിലവിലുള്ള രാഷ്ട്രീയസിദ്ധ

In 2015-16, Urkund Anti-Plagiarism provided to 145 Universities

URKUND is a completely automated system against plagiarism and is being successfully used at universities

Note that URKUND never determines what is a plagiarism. The reports we provide to your teachers consist, in the event of us finding similarities, of a text comparison. We note the parts of your document that are similar to other sources, in URKUND's archives, on the Internet and in published material, and give the teacher access to the original material where we have found the similarity. URKUND compares textual similarity and subject similarity.

Handbook

http://static.urkund.com/manuals/URKUND_Plagiarism_Handbook_EN.pdf

Supports File formats

.doc

.sxw

.pptx

.txt

.html

.wps

.docx

.ppt

.pdf

.rtf

.htm

.odt

Characters Limit

Every document treated as a separate document.
Documents containing more than 400,000 characters
will be considered as more than one document
so 800,001 characters would be 3 documents)

- Right Side:**
 - Log out / Personal profile
 - Free text search
 - Submitted date/time (CET)
 - Submission missed deadline
- Bottom Callouts:**
 - How much of the text that has been found in other sources. This value is not an estimation of plagiarism.
 - Document name. Click to download. Download is not available if the name is in grey.
 - Size/word count
 - Submitter name/e-mail address

Issued guidelines to avoid Plagiarism

- Attribute references
- Describe all sources of information
- Give acknowledgments
- Provide footnotes
- Use quotation marks wherever required
- Paraphrase the original, attributed work
- For extensive quotations, obtain permission from the publisher of the original work
- Avoid self-plagiarism by taking permission from the publisher of the previous article authored by you
- Obtain permission for use of published drawings or other illustrations

Punishments

Plagiarism may result in serious sanctions, including

- **Public disclosure,**
- **Loss of research funding,**
- **Loss of professional stature and**
- **Termination of employment**
- **Legal action against the individual's committing plagiarism**

ShodhGangotri : Repository of Indian Research in Progress details (Synopses/Research Proposals for PhD programme)

3488+ Synopses

[For Fulltext thesis submission please click.](#)

The word "Shodh" originates from Sanskrit and stands for "research and discovery". "Gangotri" is one of the largest glacier in the Himalayas and source of origination of Ganges, the holiest, longest and largest of rivers in India. The Ganges is the symbol of age-long culture, civilization, ever-aging, ever-flowing, ever-loving and loved by its people.

Under the initiative called "ShodhGangotri", research scholars / research supervisors in universities are requested to deposit electronic version of approved synopsis submitted by research scholars to the universities for registering themselves for the Ph.D programme. The repository on one hand, would reveal the trends and directions of research being conducted in Indian universities, on the other hand it would avoid duplication of research. Synopsis in "ShodhGangotri" would later be mapped to full-text theses in "ShodhGanga". As such, once the full-text thesis is submitted for a synopsis, a link to the full-text theses would be provided from ShodhGangotri to "ShodhGanga"

Shodhganga

1. Introduction

Theses and dissertations are known to be the rich and unique source of information, often the only source of research work that does not find its way into publication channels. Theses and dissertations remain an un-tapped and under-utilized asset, leading to unnecessary duplication and repetition that, in effect, is the anti-thesis of research and wastage of huge resources, both human and financial.

The UGC Notification (Minimum Standards & Procedure for Award of M.Phil. / Ph.D Degree Regulation, 2006) dated 1st June 2006 mandates submission of electronic version of theses and dissertations by the researchers to universities with an aim to facilitate open access to Indian theses and dissertations to the academic community world-wide. In line availability of electronic theses through centrally-maintained digital repositories like Shodhganga will not only facilitate open access to Indian theses and dissertations but will also help in the preservation and archiving of theses and dissertations. The availability of electronic theses and dissertations will also help in the preservation and archiving of theses and dissertations. The availability of electronic theses and dissertations will also help in the preservation and archiving of theses and dissertations.

"Shodhganga" is the name coined to denote digital repository of Indian Electronic Theses and Dissertations set-up by the INFLIBNET Centre. The word "Shodh" originates from Sanskrit and stands for research and discovery. The "ganga" is the sacred, largest and longest of all rivers in India. Subcontinent. The Ganga is the symbol of India's age-old culture and civilization, ever-changing, ever-flowing, ever-lived and revered by its people, and has held India's heart captive and drawn uncounted millions to her banks since the dawn of history. Shodhganga stands for the reservoir of Indian intellectual output stored in a repository hosted and maintained by the INFLIBNET Centre.

2. Shodhganga @ INFLIBNET: Structure and Organisation

The Shodhganga@INFLIBNET is set-up using an open source digital repository software called EDSOA developed by MIT (Massachusetts Institute of Technology) in partnership with Alexander Rankov (MIT). The EDSOA uses internationally recognized protocols and interoperability standards. Shodhganga provides a platform for research scholars to deposit their Ph.D. theses and make it available to the entire scholarly community in open access. The repository has the ability to capture, index, store, disseminate and preserve ETDs (Electronic Theses and Dissertations) submitted by the researchers.

EDSOA supports Open Archives Initiative Protocol for Metadata Harvesting (OAI-PMH) and uses a qualified version of the Dublin Core schema for its metadata. The INFLIBNET Centre promotes setting-up of institutional and ETD repositories in member universities using OAI-PMH compliant software. A number of member universities have already set-up their institutional and ETD repositories using either EDSOA or other OAI-PMH compliant institutional repository software. It would be possible for universities having adequate network and computing infrastructure to maintain their own ETD repositories wherein their research scholars could deposit a portion of their theses and dissertations. However, universities can use Shodhganga to host their theses as backup.

Shodhganga realizes academic structure of each university in terms of Departments/ Centres/ Colleges each University has to facilitate ease of navigation. The structure facilitates research scholars from across India to deposit their theses in the respective Departments / Centre / College. As shown in the Figure 1, option for simple search and advance search are available on the home page along with browsing facility through universities and departments. The Centre is also developing a semantic web-based interface to facilitate subject-based browsing, navigation, search and retrieval of content available in the repository.

3. Why Should Universities Join Shodhganga?

As mentioned above, the UGC, vide its Notification (Minimum Standards & Procedure for Award of Ph.D. / Ph.D Degree, Regulation, 2006) dated 1st June 2006 (Appendix-1), provides for submission of electronic version of theses and dissertations for the researchers in Shodhganga maintained by the INFLIBNET Centre. Universities that sign MoU with the INFLIBNET Centre and mandate submission of electronic version of their theses and dissertations into Shodhganga may get financial assistance from the UGC for digitizing their electronic theses. Besides, UGC may also provide financial assistance to the INFLIBNET Centre for subscription to software tools that detect plagiarized portion of theses.
