HAL is a multi-disciplinary open access archive for the deposit and dissemination of scientific research documents, whether they are published or not. The documents may come from teaching and research institutions in France or abroad, or from public or private research centers.

L'archive ouverte pluridisciplinaire **HAL**, est destinée au dépôt et à la diffusion de documents scientifiques de niveau recherche, publiés ou non, émanant des établissements d'enseignement et de recherche français ou étrangers, des laboratoires publics ou privés.

CORRECTION

Open Access

Correction to: The GREENH-City interventional research protocol on health in all policies

Marion Porcherie^{1,2*}, Zoé Vaillant³, Emmanuelle Faure³, Stéphane Rican³, Jean Simos⁴, Nicola Luca Cantoreggi⁴, Zoé Heritage⁵, Anne Roue Le Gall^{2,6}, Linda Cambon^{2,7}, Thierno Amadou Diallo⁸, Eva Vidales⁵ and Jeanine Pommier^{2,9}

Correction

After publication of the article [1], it has been brought to our attention that in the original publication the third author's name was spelt incorrectly. The correct spelling is "Emmanuelle Faure". This was previously spelt as "Emmannuelle Faure". The original article has been revised to reflect this.
