

Advanced Functional Materials Congress

24 - 27 March 2019 | Stockholm, Sweden

02 Oct 2018

INVITATION LETTER

To,
Dr. Christophe Bliard,
CNRSUMR7312, France
E-mail: christophe.bliard@univ-reims.fr

Dear Dr. Bliard,

The **Advanced Functional Materials Congress** (AFMC 2019, www.advancedmaterialsseries.com/afmc19) is a principal annual international conference in the field of Functional Materials Science, Engineering & Technology, hosted in Stockholm, Sweden during 24 – 27 March 2019. The congress theme, "Bridging the Functional Materials Science, Engineering & Technology", reflected the scientist-industry model valued for the new age technology.

We are pleased to accept your abstract and invite you to join us in this important international event to contribute your own expertise and present (**Invited talk**) your work entitled, '**From inter-crosslinked bio-hybrid gels to carbohydrate grafted multilayered siloxane nanoparticles**'.

Please note that all delegates are responsible for the payment of their own registration fees and accommodation. AFMC 2019 delegates (including speakers) will not be funded by the congress organizers.

We look forward to welcoming you in Stockholm.

Yours sincerely

(**Dr. Ashutosh Tiwari**)
Secretary General
International Association of Advanced Materials, Sweden
