Études et valorisations archéologiques

ACKNOWLEDGMENTS

Our deepest thanks are due to H.H. Sayyid Haitham bin Tariq al-Said, Minister of Heritage and Culture, and to H.E. Salim bin Mohammad Al Mahruqi, Undersecretary for Heritage Affairs, without whom the Qalhât Project would not exist. Our gratitude goes especially to HE Hassan Mohammad Ali Al Lawati, advisor to the Minister for Heritage Affairs, and to Mr Sultan Saif Nasser al Bakri, Assistant to the Director General of Archaeology for their deep involvement in the Project, and to Mr Khamis El-'Asmi, Director of Excavations and Archaeological Studies. We also want to express our warmest appreciation to Mr Mohamed Homed Al Waili, Coordinator of the Qalhât Project in the Ministry in Muscat, and to Mr Khamis Nasser Al 'Amri, local project coordinator of the Department in the Sur region, for their constant, friendly, and very efficient help and support.

This year Ms Nawal Abdullah Salim Al Orami and Ms Fatma Hulies Sultan Al Bahlooli, members of the staff of the office of Heritage and Culture at Sur, came regularly at the site for training and reporting, under the direction of Mr Adel Abdullah Salem Al Athroshi Al Aرامي, and then Mr Ramzi Mattar Rajab, managers of the office.

The French Team also wish to thanks all the peoples in Sur and elsewhere in Oman who warmly welcomed us and all the Pakistani and Bengladeshi who worked with us, sometimes through harsh times, always with the smile and many times with a real interest for archaeology.
