

2019 SRC Scientific Day

The periodic table: the toolbox of chemists!

UNIVERSITÉ
DE NAMUR

FACULTÉ
DES SCIENCES

Thursday October 10th 2019

UNamur, Amphithéâtre Pedro Arrupe – PA02
Rue de Bruxelles - 5000 Namur

08.30-09.00	Welcome
09.00-09.05	Introduction: Prof. Benoît Champagne (President of SRC)
09.05-09.55	Prof. Simon Cotton (<i>University of Birmingham</i>) Two Centuries of the Rare Earths
09.55-10.10	Oral communication of best Master thesis (UNamur)
10.10-10.25	Oral communication of best Master thesis (ULB)
10.25-10.45	<i>Coffee break</i>
10.45-11.35	Prof. Brigitte Van Tiggelen (<i>Director for European Operations, Science History Institute (Philadelphia, USA), Chair of the EuChemS Working Party on the History of Chemistry</i>) Women in their Element. Their Contributions to the Periodic System
11.35-12.25	Prof. Arnout Ceulemans (<i>KULeuven</i>) The Periodic Table and the Legacies of Evariste Galois and Sophus Lie
12.25-14.00	<i>Lunch - Poster session (all topics)</i>
14.00-14.50	Prof. Markku Räsänen (<i>University of Helsinki</i>) Frontiers of Chemistry, Novel Noble Gas Containing Molecules in Low-Temperature Matrices
14.50-15.05	Oral communication of best Master thesis (UMONS)
15.05-15.20	Oral communication of best Master thesis (ULiège)
15.20-15.35	Oral communication of best Master thesis (UCL)
15.35-16.00	<i>Coffee break</i>
16.00-16.50	Prof. Gwilherm Evano (<i>ULB, Prix triennal 2017</i>) The Many Faces of Copper – Catalysis of Organic Reactions
16.50-17.30	« C.G.B.-C.B.B. Incentive Awards 2019 »
17.30-17.45	SRC and Solvay Awards
