Correction to: *Scientific Data* <https://doi.org/10.1038/s41597-022-01900-7>, published online 29 December 2022.

Several of the units in the original version were published in metres, rather than μm ; several \pm signs were omitted from numerical values; and Table 2 was incorrectly formatted to cause certain rows and columns to mis-align. These have been corrected in the pdf and HTML versions of the article.
