HAL is a multi-disciplinary open access archive for the deposit and dissemination of scientific research documents, whether they are published or not. The documents may come from teaching and research institutions in France or abroad, or from public or private research centers.

L'archive ouverte pluridisciplinaire **HAL**, est destinée au dépôt et à la diffusion de documents scientifiques de niveau recherche, publiés ou non, émanant des établissements d'enseignement et de recherche français ou étrangers, des laboratoires publics ou privés.

SOCIETY FOR OPEN, RELIABLE, & TRANSPARENT ECOLOGY & EVOLUTIONARY BIOLOGY

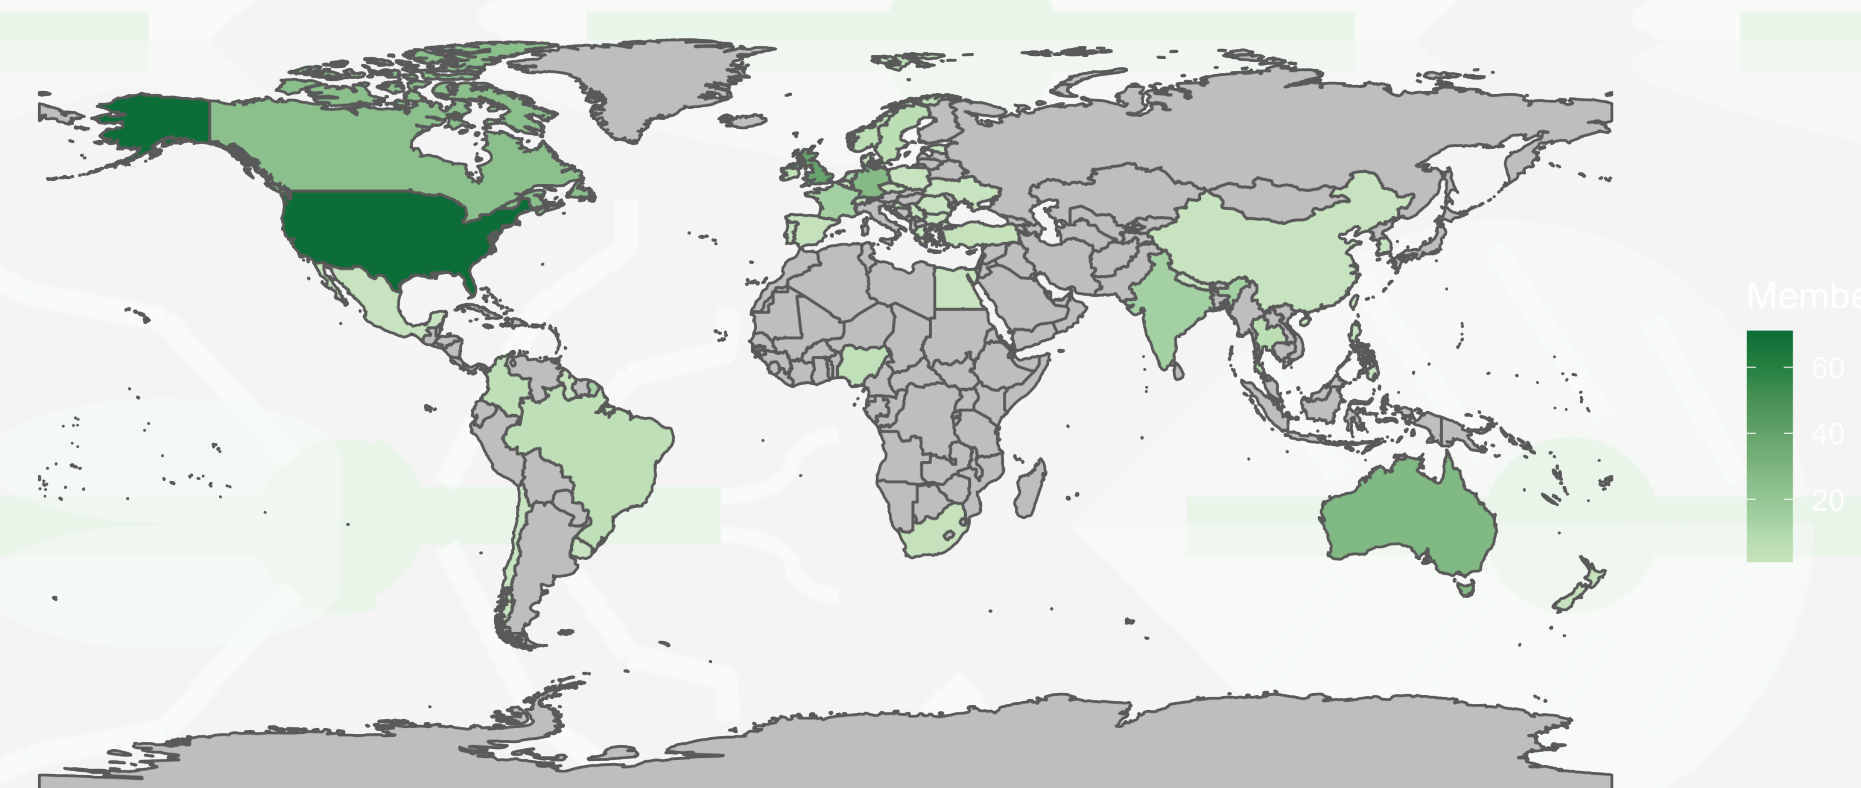

brings together researchers willing to improve **reliability and transparency** through **cultural and institutional changes** in **ecology, evolutionary biology**, and related fields, broadly defined.

Anyone interested in improving research in these disciplines is welcome to join, regardless of experience.

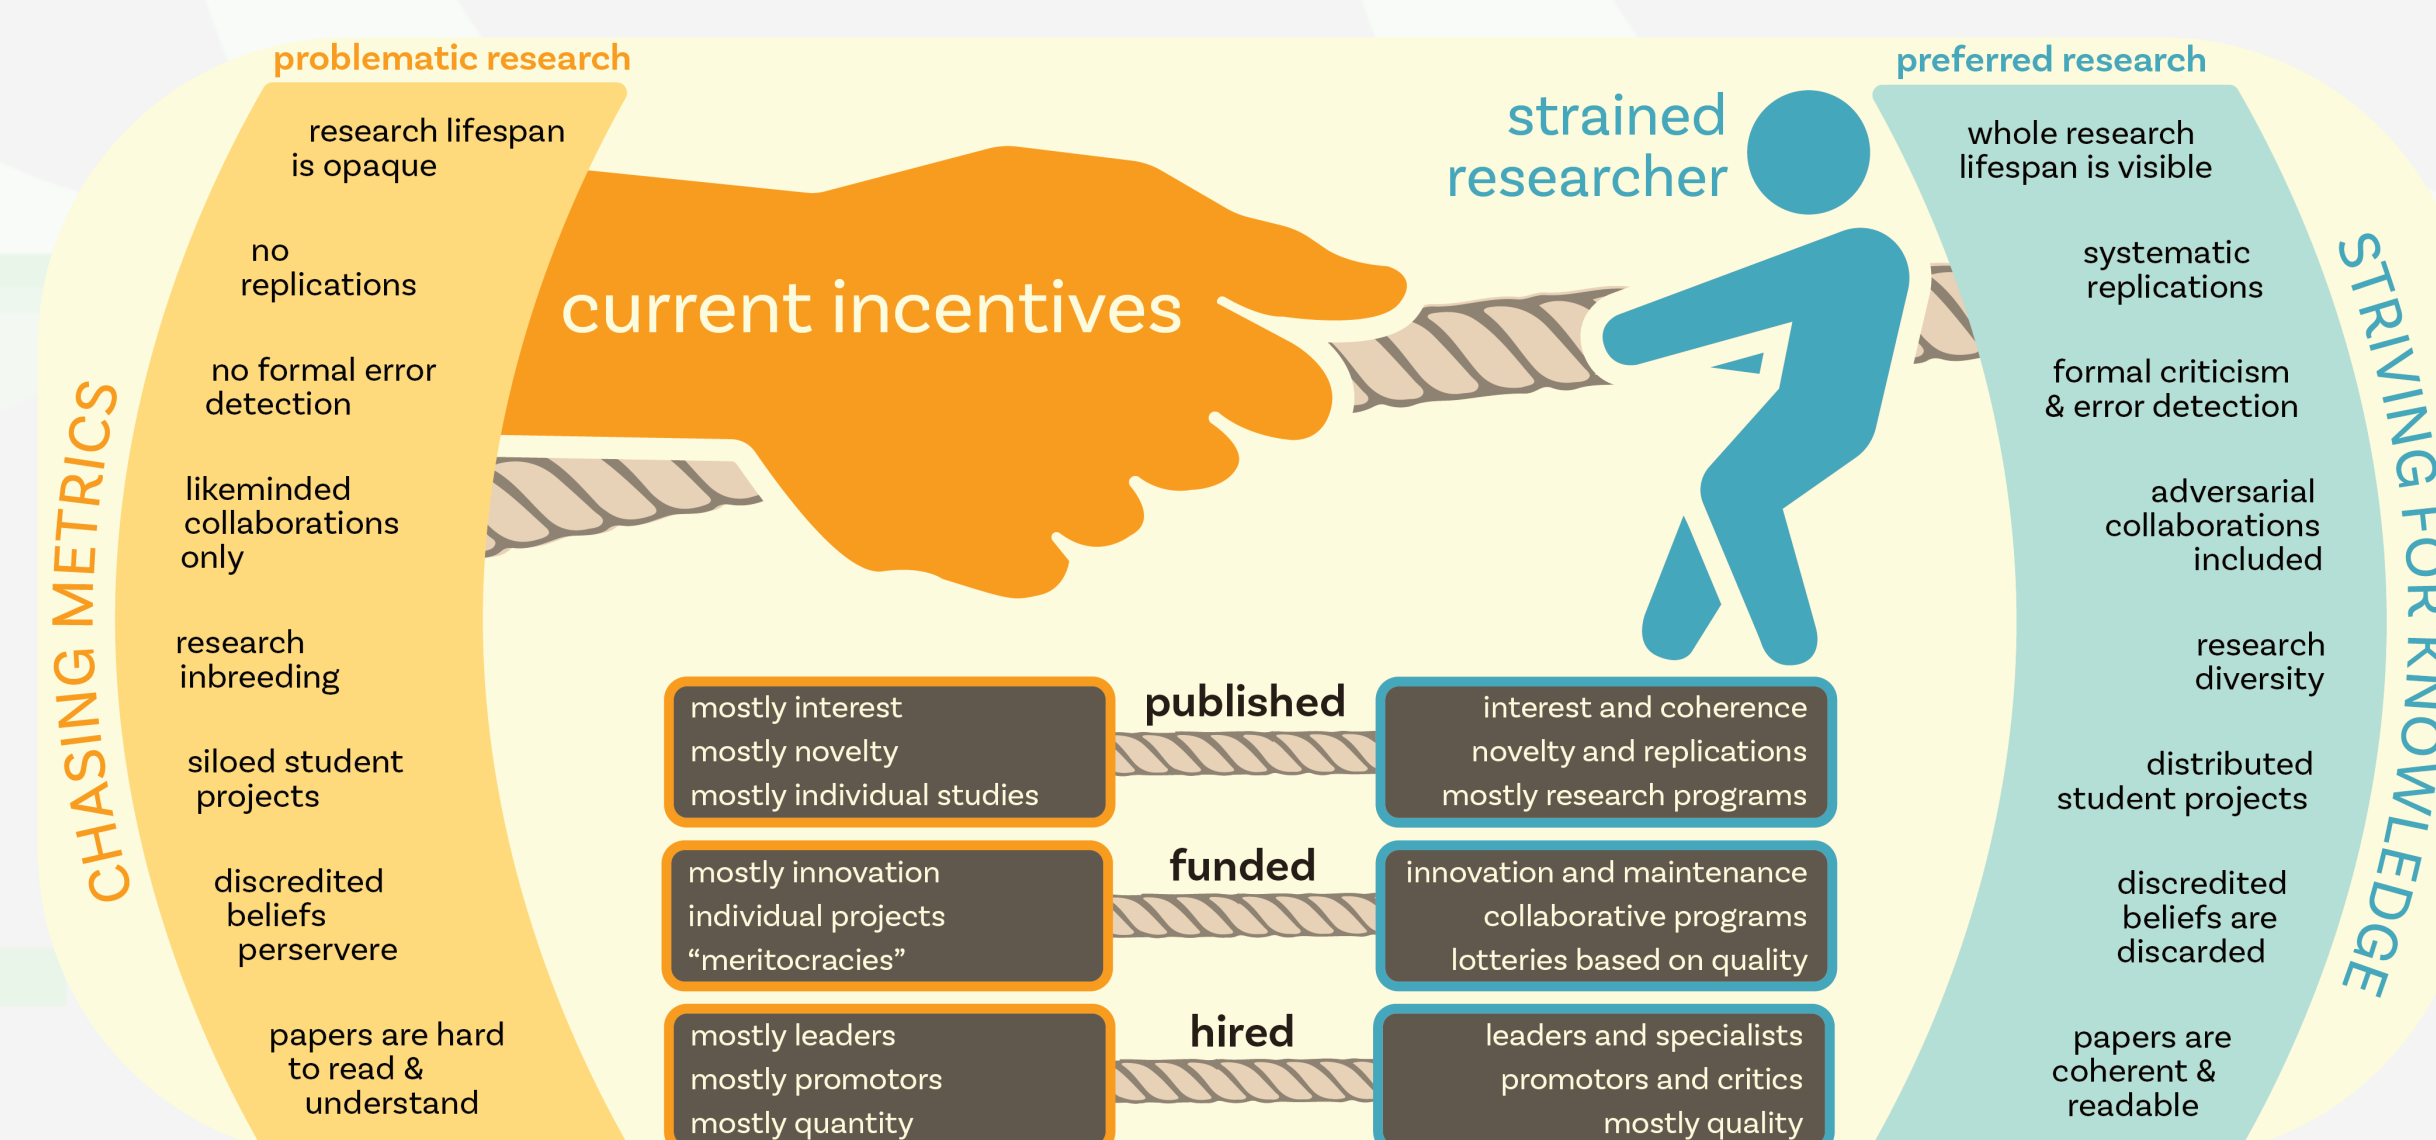

We support **diversity in science**.
