Object: IRB approval # 132023

Dear Prof. N. Jullien, this letter will serve as confirmation that your research entitled «Enquête par questionnaire en ligne auprès des utilisateurs de Wikipédia» has been approved by the IMT Atlantique's IRB (IRB00013722). You may now begin to implement this research as described in the application.

Please note that you may only conduct this research exactly in the form it was approved. You must seek specific board approval for any changes in this project. You must also seek re-approval if the project extends beyond the termination date noted below. In addition, if there are any unanticipated adverse reactions or events associated with the conduct of this research, you should immediately suspend the project and contact the chair of the IRB for consultation.

The Board wishes you success in the pursuit of your research goals.

Approval termination: 31/05/2026
