Reportage

Après les dégâts de la tempête Aline dans les Alpes-Maritimes : «C'est comme au jeu de l'oie, on retourne à la case départ»

Dans le village de Saint-Martin-Vésubie, deux ponts et une route ont été emportés ce vendredi 20 octobre par les flots torrentiels de la rivière, gonflée par les importantes précipitations qui se sont abattues. Le maire se veut fataliste.

The operationalization of a concept for collective behaviors in disasters

Conclusion

Ancestral collective behaviors stay anchored in human collective memory.

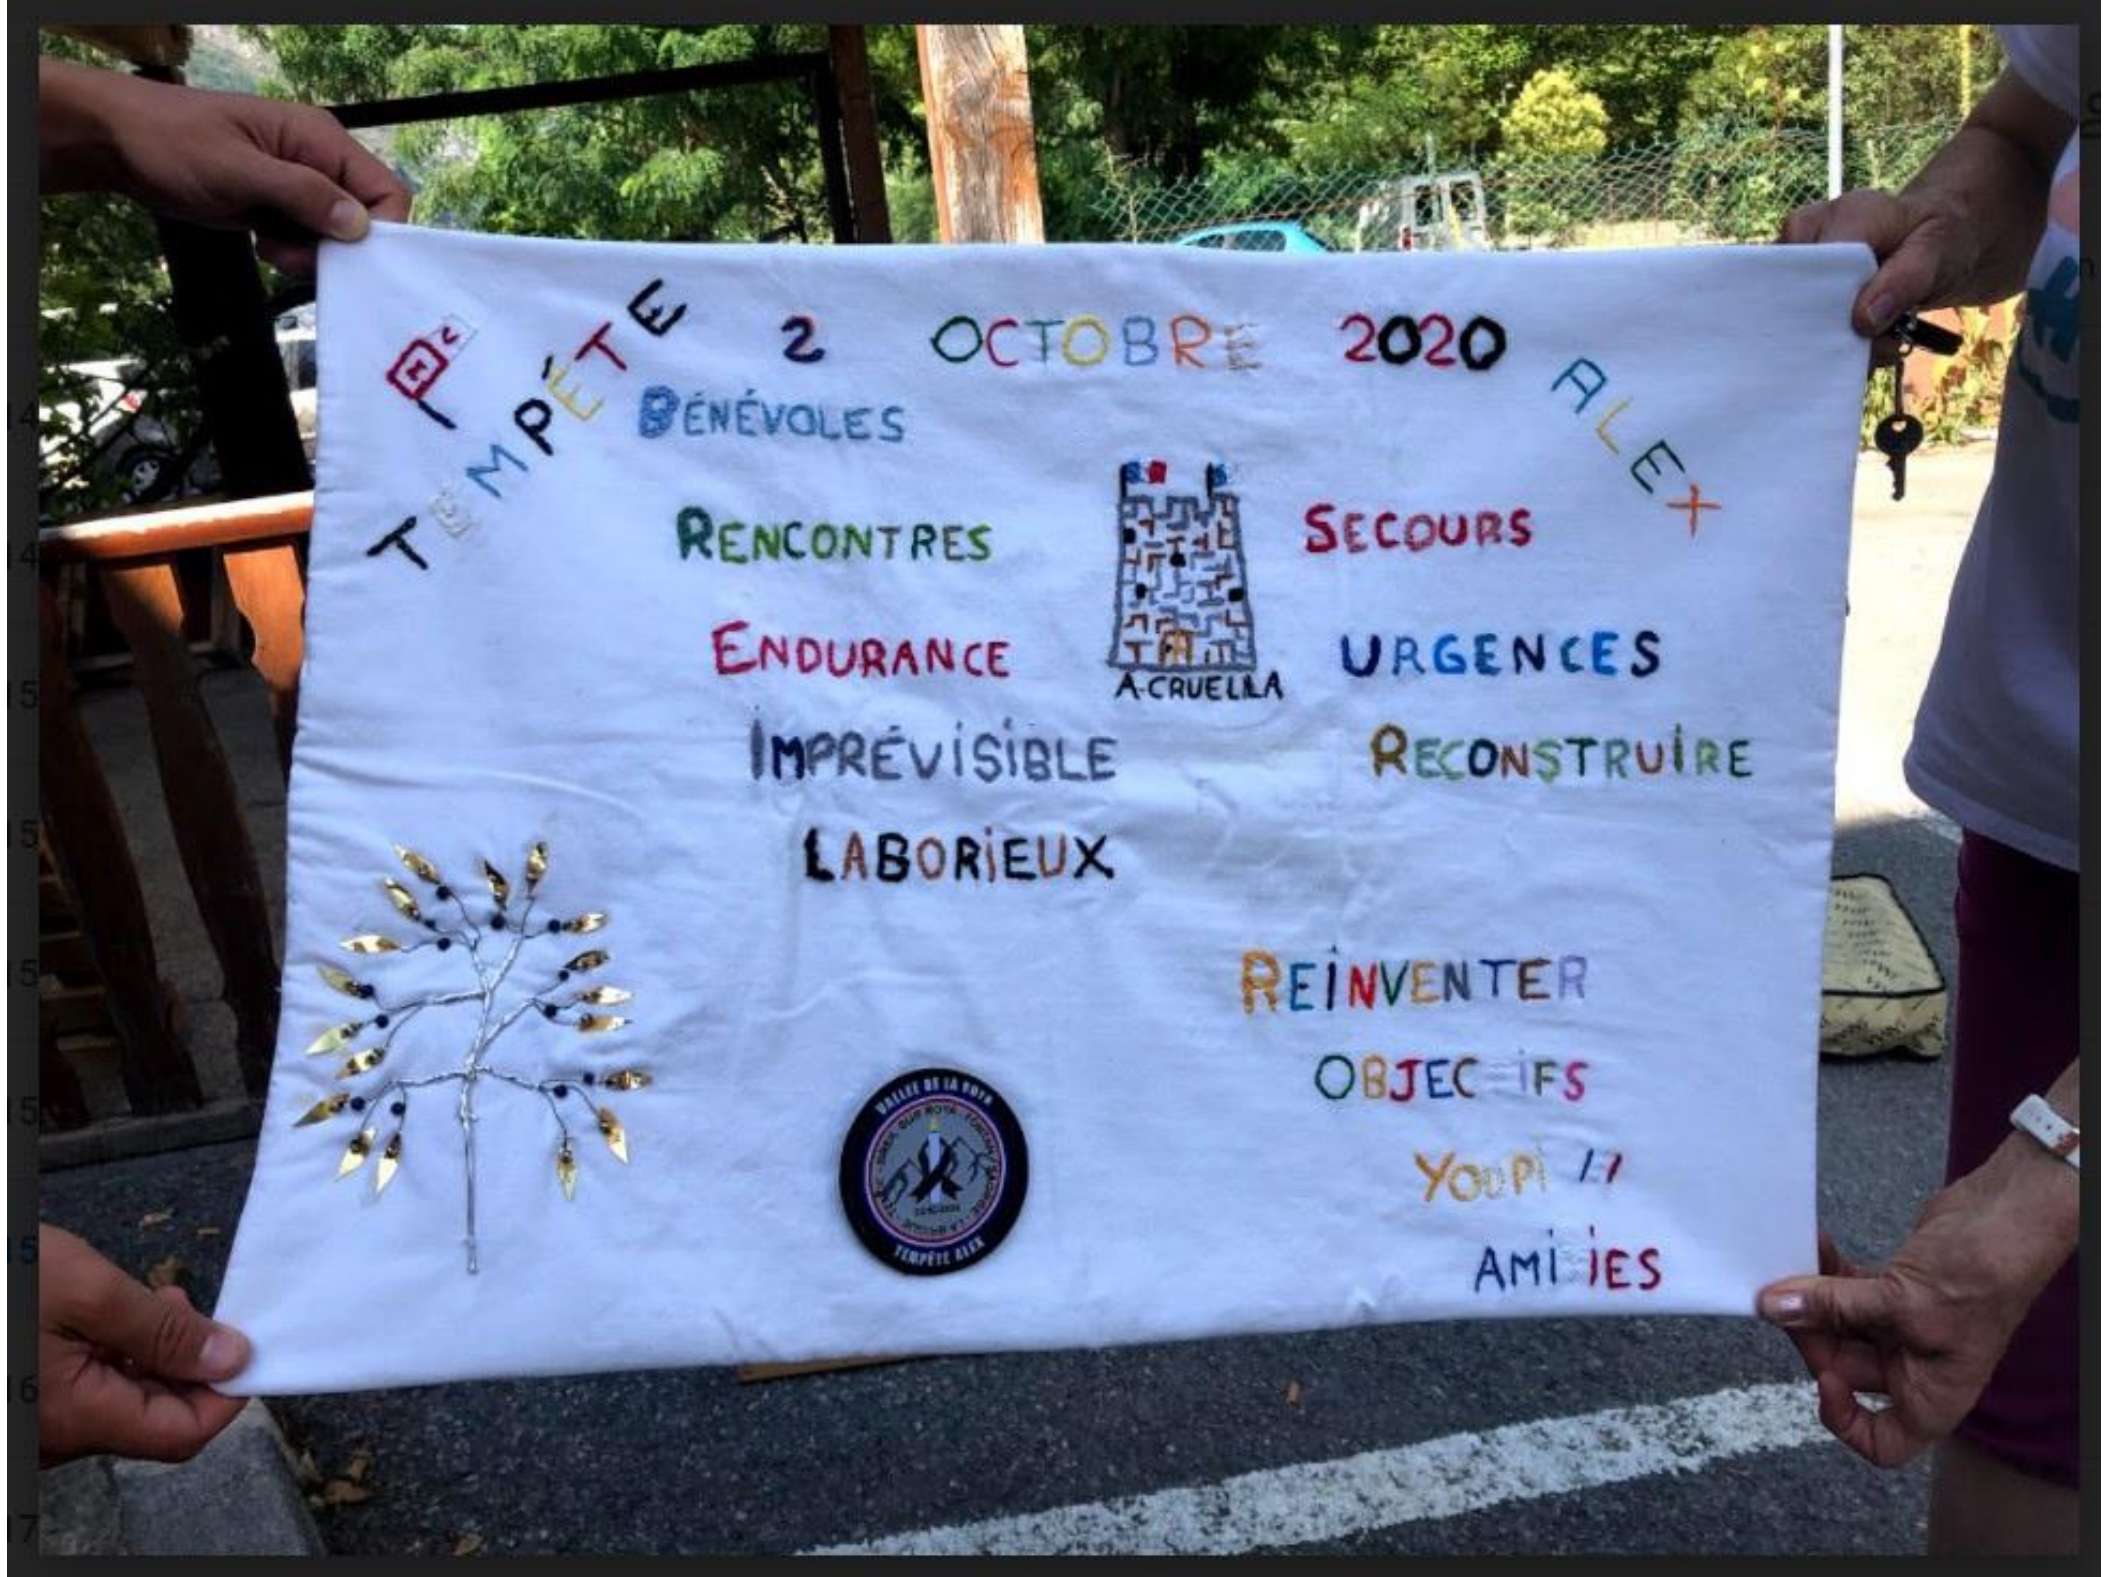

**Collective work
Voluntary**

*"An Immediate intervention movement
for generosity and solidarity actions".*

*Collective behaviors as the mouvement
of MINGAS, can be operationalized and
keep weaving social ties during periods
of peace in order to become resilient
communities and society.*

So people can count on the others
