HAL is a multi-disciplinary open access archive for the deposit and dissemination of scientific research documents, whether they are published or not. The documents may come from teaching and research institutions in France or abroad, or from public or private research centers.

L'archive ouverte pluridisciplinaire **HAL**, est destinée au dépôt et à la diffusion de documents scientifiques de niveau recherche, publiés ou non, émanant des établissements d'enseignement et de recherche français ou étrangers, des laboratoires publics ou privés.

Author Correction: Dynamics of a qubit while simultaneously monitoring its relaxation and dephasing

Q. Ficheux^{1,2}, S. Jezouin², Z. Leghtas^{2,3,4} & B. Huard ^{1,2}

Correction to: *Nature Communications*; <https://doi.org/10.1038/s41467-018-04372-9>; published online 15 May 2018

The original version of this Article omitted the following from the Acknowledgements: Z. Leghtas' primary affiliation is Centre Automatique et Systèmes, Mines ParisTech. This has been corrected in both the PDF and HTML versions of the Article.

Published online: 13 July 2018
